7. Other Discussions

Marking Standards have been updated.

M with Circle around it: marked by measurements, not electronically marked.

OUPS books come out mid March.

Defining scopes.

Brk for brick sewerline or other brick structure.

Jason read the changes to the marking standards.

Must specify if you will be in the roadway if you want the roadway. Front of house does not include the roadway.

Get Your Head in the Game event.

January 17, 2018 at the Dayton Convention Center - Kevin Walker is the Key Note Speaker. Former Linebacker of the Cincinnati Bengals.

Safe Dig event: We need to decide if we will do the breakfast and safe dig event together. Taken to a vote. Majority voted to combine the breakfast with the safe dig event.

Reason they had the event in the winter, people were more capable of attending.

January meeting we will have a start on plan for the safe dig event.

Safe Dig lunch at 11:00 AM on the 4th. Location to be determined.

2018 Vectren has increased the work load by 2x. Bellefontain, Bradford, Dayton, Washington Township, Covington, Faibourn, German Town, Kettering, Greensburg, Miamisburg, Piqua, Sidney, Troy, Xenia, etc.

DP&L: Normal budget and workload as of now. Could be bumped up.

8. OUPS News:
