Trenching Safety Day Seminar

When: August 27th 2019 **OR** August 28th 2019

Time: 8am to 3:30pm

Where: Ohio Operating Engineers Training Center,
9435 Cygnet Road, Cygnet, Ohio 43413

Cost: FREE, plus earn CEU Educational Credits

When done safely, trenching operations can be completed without exposure to hazards such as cave-in's, falling loads, hazardous atmospheres and vehicular involvement. Join us for a day of education and information sharing on this topic, as presented by OSHA and the Ohio BWC.
