

Northern Ohio Damage Prevention Council

MISSION STATEMENT: *Northern Ohio Damage Prevention Council is a proactive network of stakeholders involved in all phases of activities requiring excavation. Through open communication, education, and cooperation, council members work together to maintain service integrity to customers, protect the underground infrastructure and environment, and encourage the development of excavation activities that proceed in a safe and efficient manner.*

Minutes for March 4, 2020

The Illuminating Company
2896 Miller Rd
Brecksville, OH 44141

Presenter: Heather Parmenter
Topic: Stop the Bleed Trauma Care

Meeting opened at 9:26 by Heather Parmenter, ER Nurse and Stop the Bleed Trauma Care Instructor

Your goal during a trauma/injury event is to make sure YOU are safe.

A, B, C steps:

- A: Alert 911
- B: Bleeding
- C: Compression
 - Least invasive method
 - Packing—pack gauze tightly into wound
 - Tourniquet—don't buy the cheapest, apply 2-3 inches above the wound, don't place over elbow or knee
 - She displayed various tourniquets in her PowerPoint
 - Demonstration with Andrew.
- Question: Is the tourniquet only designed for one time use?
 - A: Yes, unless the injured person dies and you need to help others immediately
- Question (William): Is a tourniquet required for first aid kit compliance?
 - A: No, not required.
 - Reach out to my team for specified training.
 - Tip: the faster your pace, the more careful you have to be
